March 10, 2018

Dear Families and Friends of Kinhaven School,

It is my pleasure to welcome you to the 2018 Kinhaven School Auction, "Bids for Our Kids". While the goal of the annual auction is to raise funds in support of Kinhaven, the event itself is a celebration of the incredible teamwork of our community. As you raise your glass this evening, tip your hat to the organizers, donors and volunteers whose combined talents created this dazzling night of FUNdraising!

The fabulous donations in this catalogue represent the generosity of local and national retailers, and members of the Kinhaven community. With getaways, dinners out, and one of kind designs, the auction has something for everyone plus the uniquely-Kinhaven offerings you won't find elsewhere. Please recognize these donors as you patronize their businesses in the months ahead.

We are indebted to the Auction Team whose work culminates with this glittering evening led by the tireless Molly Gossin. The success of the auction is now up to us, as we bid early and bid often!

Thank you to all the volunteers, donors, bidders, underwriters (and babysitters at home with our kids!) who are school supporters the whole year through.

Cheers,

Amy

Amy Hitchcock
Director

AUCTION RULES

1. The Silent Auction begins at 6:30 PM when doors open. Each category has items displayed with bid sheets. Please note the closing time for each section and plan your bids accordingly.
2. Each item has an opening bid amount and bid increment amount for subsequent bids. To bid on an item, please enter your name, bid number and bid amount on the line. PLEASE PRESS FIRMLY ON THE CARBON BID SHEET. Illegible bids may be deleted.
3. By his/her purchase, the Buyer waives any claim for liability against either Kinhaven School or the donor(s) of the Auction item, and neither the school nor the Donor is responsible for any personal injuries or damages to property that may result from use of the Auction item.
4. Items that are bundled together need not be used together as suggested.
5. Each item has a bid sheet listing minimum acceptable bids. A person desiring to bid does so by printing the bidder number alongside the desired bid listed. Feel free to start bidding at an amount higher than the minimum bid. Each individual will receive their bidder number upon check in at the auction. If a "couple" ticket is purchased, only one bidder number will be assigned.
6. Certain items allow multiple winners. Bidders recognize that their winning bid appears next to their name/bid number on the bid sheet, and that other bidders may win at different bid increments.
7. If an item does not receive any bids during the bidding period, the item will be left open after the section closes. Bidding on these items will end when the last section closes. Auction organizers reserve the right to open bidding on another date or medium for those items with no bids at the close of the evening.
8. All auction items must be paid for on the night of the Auction. We are happy to accept credit cards or checks made out to Kinhaven School.

9. Please carefully read the restrictions and expiration dates on items. ALL SALES ARE FINAL.

10. The Auction Committee reserves the right to move items to the Live Auction based upon their Silent Auction bidding pattern.

11. Certain bidders who are not present have submitted sealed and payment in advance on certain items.

12. Sealed proxy bids have been entered for some items; the bid sheet will indicate when proxy bids exist for an item. Proxy bids will be revealed at the close for the relevant section and may “outbid” guests in attendance.

13. During the Live Auction, the auctioneer will provide a brief description and minimum opening bid for each item. To enter a bid, the bidder raises his/her bidder number in view of the Auctioneer and/or floor team. The highest bidder acknowledged by the Auctioneer shall be the purchases. The Auctioneer has sole and final discretion to determine the successful bidder.

14. At the end of the evening, you will check out by bidder number. You will receive a copy of your winning bids which will serve as your record. Please make payment by credit card or check payable to “Kinhaven School”. All direct contributions to Kinhaven School are deductible for income tax purposes. In general, you may consider the portion of payment for an item that exceeds the fair market value of that item to be a contribution to Kinhaven. All items must be taken home with you after checkout. Any items not on the premises during the auction will be delivered to the winning bidder at school in the week following the Auction.

15. Check out begins no earlier than 9:00pm. Please note, early checkout is not possible due to volunteer limitations.
