

Camp Kinhaven is an extension of Kinhaven School, a cooperative preschool located in the heart of Arlington's Ballston neighborhood. We combine the staff, environment, and philosophy of Kinhaven School with a healthy dose of good old-fashioned summertime fun!

friends as FOUNDATION

Kinhaven's skilled teachers support both established and blossoming friendships, using the classroom as a base for engaging experiences that promote social interactions and set the scene for collaborative work and play.

creative EXPRESSION

Kinhaven's SWAP room and classrooms provide opportunities to explore new and familiar media such as watercolor, pastels, clay, weaving, papier-mâché, and woodworking. Weekly sing-alongs promote the joy and community spirit of shared musical experiences.

neighborhood CONNECTIONS

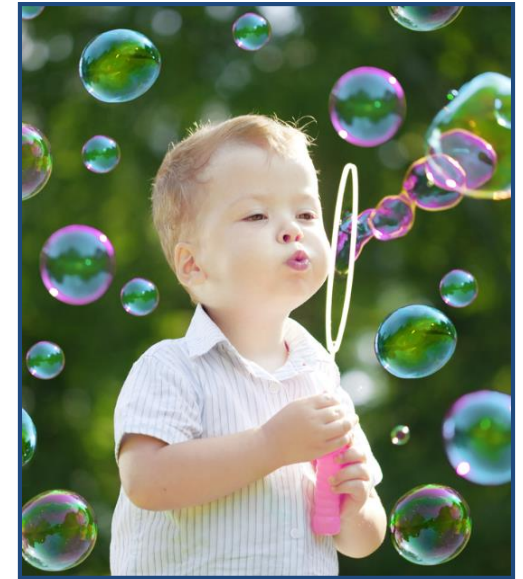

Our urban setting affords possibilities for walkabouts to visit local merchants and professionals related to the topic at hand. Each session at Camp Kinhaven also features a guest presenter such as a naturalist or entertainer.

outdoor EXTENSIONS

The courtyard offers gross motor and water play, as well as gardening, painting, and an ever-changing array of thematic activities and group games.

Camp Kinhaven

Each Monday – Thursday session at Camp Kinhaven features a theme around which age-appropriate experiences are planned, both outdoors and in the various learning centers of the classroom.

Blast Off to Summer

Session I; June 19- July 6 (No camp on July 4)

Get your summer off to a cosmic start as we celebrate all things celestial. Investigations of rockets, space travel and astronomy launch a galaxy of activities sure to stretch the outer limits of your child's imagination.

It's a Jungle Out There

Session II, July 10 - 27

Join us on a summer safari to encounter the wildlife of the tropics, rainforest, and savannah. Swing into jungle fun as we explore these faraway habitats. A culminating visit from a naturalist will promote an appreciation of these valued resources.

Down on the Farm

Session III; July 31 – August 10

(Note: this is a two week session)

Summertime is the right time to go down on the farm. Making butter, growing spouts, and practicing animal care will be highpoints of your child's session, which culminates with a visit from Old McDonald and his farm animals.

PLUS!

Freaky Fridays

Children 3 1/2-5 years can add an extra day of mixed-age fun on Fridays when we feature expanded water play, a visit from a guest teacher, and a whole new mix of pals! Make each Friday a Freaky Friday.
