

Camp Kinhaven is an extension of Kinhaven School, a cooperative preschool located in the heart of Arlington's Ballston-Virginia Square neighborhood. We combine the staff, environment, and philosophy of Kinhaven School with a healthy dose of good old-fashioned summertime fun!

## friends as FOUNDATION

Kinhaven's skilled teachers support both established and blossoming friendships, using the classroom as a base for engaging experiences that promote social interactions and set the scene for collaborative work and play.

## creative EXPRESSION

Children explore new and familiar media such as watercolor, pastels, clay, weaving, papier-mâché, and woodworking. Weekly sing-alongs promote the joy and community spirit of shared musical experiences.

## neighborhood CONNECTIONS

Our urban setting affords possibilities for walkabouts to visit local merchants and professionals related to the topic at hand. Each session at Camp Kinhaven also features a guest presenter such as a naturalist or entertainer.

## outdoor EXTENSIONS

Utilizing neighborhood resources such as Maury Park, two blocks from the school, children engage in gross motor play; connect with nature; build city awareness; and enjoy an ever-changing array of thematic activities and group games. Nearly every experience can be conducted outdoors.

# Camp Kinhaven

Each session features a theme around which age-appropriate experiences are planned, both outdoors and in the various learning centers of the classroom.

## Passport to Summer

### Session I, June 17 – July 5

**Camp is closed July 4**

Bon voyage and Happy Fourth! Grab your suitcase and get ready to set sail as we travel the world to immerse ourselves in the local culture by learning the traditions, folk tales, arts, games, and cuisine of our destination. By the end of the session, your child will have a passport filled with stamps from around the world and will return to the United States just in time to celebrate Independence Day.

## Bodies in Motion

### Session II, July 8 – 26

Get ready for a fun session of movin' and groovin', as we dance, tumble, play team games, and exercise to explore the physics of movement. Using simple machines in addition to their own bodies, campers will experience motion, friction, force, action/reaction, and gravity to gain an understanding of these essential principles. With obstacle courses, trike races, and a culminating science carnival, your preschooler will keep her mind and body in motion this session.

## Once Upon a Nursery Rhyme

### Session III, July 29 – August 16

Enter the world of long ago and far away as your child carries a bucket of water in the "Jack and Jill" relay race, feasts on the "Four and Twenty Blackbirds" pie, or builds houses for the "Three Little Pigs." A new adventure awaits each week with opportunities for dramatic playacting, crafty constructions, cooking, and close calls with royalty, trolls, and a host of new and familiar characters.

NEW!

## Afternoon Adventures

Children can add an extra dose of fun, extending each day until 3:00pm. Summer Afternoon Adventures offer a mini-theme packed with hands-on activities centered around classic children's books and authors. The afternoon includes activity, a brief rest, snack, and play.

# Registration Procedures

Registration forms will be processed in the order they are received. A registration fee and \$175/session non-refundable deposit must be paid at time of registration. The balance is due no later than May 1.

*Campers must be 30 months of age, or older, by June 1, 2019.*

### Camp Kinhaven Tuition

#### Tuition:

Single Session \$950.00; All 3 Sessions \$2,725.00

#### Afternoon Adventures:

\$450.00 per session

Kinhaven School reserves the right to cancel any class offering due to lack of enrollment. We do not guarantee placement with any specific staff member or child.

## A Typical Day

### Class Meetings

Provide the framework for the day as children and teachers greet one another, often in song, discuss the topic of the day, and choose a primary area of work for the morning.

### Work Time

Encompasses a protracted period of play including individual and small group play devised by children as well as thematically relevant experiences designed by the teachers for small groups of children.

### Meals

Children and teachers share a morning snack including fresh produce, and later in the day enjoy lunches brought from home.

### Outdoor Time

In Summer nearly every experience can be conducted outdoors, weather permitting! Playground, sprinklers, painting, gardening, games, bubbles, and more.

### Summer SWAP Studio

Sand, Water, Art, Paint are just a few of the options in this environment designed for sensory and creative exploration.
