

Camp Kinhaven is an extension of Kinhaven School, a cooperative preschool located in the heart of Arlington's Ballston-Virginia Square neighborhood. We combine the staff, environment, and philosophy of Kinhaven School with a healthy dose of good old-fashioned summertime fun!

friends as FOUNDATION

Kinhaven's skilled teachers support both established and blossoming friendships, using the classroom as a base for engaging experiences that promote social interactions and set the scene for collaborative work and play.

creative EXPRESSION

Children explore new and familiar media such as watercolor, pastels, clay, weaving, papier-mâché, and woodworking. Weekly sing-alongs promote the joy and community spirit of shared musical experiences.

neighborhood CONNECTIONS

Our urban setting affords possibilities for walkabouts to visit local merchants and professionals related to the topic at hand. Each session at Camp Kinhaven also features a guest presenter such as a naturalist or entertainer.

outdoor EXTENSIONS

Utilizing neighborhood resources such as Maury Park, two blocks from the school, children engage in gross motor play; connect with nature; build city awareness; and enjoy an ever-changing array of thematic activities and group games. Nearly every experience can be conducted outdoors- in our courtyard and on the go.

Camp Kinhaven

Each session features a theme around which age-appropriate experiences are planned, both outdoors and in the various learning centers of the classroom.

Construction Junction

Session I, June 15- July 2

**Kinhaven Closed July 3*

Put on your hard hat to enter the construction zone. With traditional building materials, repurposed supplies, and confectionery creations campers will design marshmallow buildings, gum drop domes, paper tube castles and towering skyscrapers. Older campers will use the woodworking table to take their structures from concept to reality.

Down on the Farm

Session II, July 6-July 24

Summertime is the right time to go down on the farm. Making butter, growing spouts, and practicing animal care will be highpoints of your child's session, which culminates with a visit from Old McDonald and his farm animals.

Go for the Gold

Session III, July 27-August 14

From the chitons and laurel wreaths of ancient Greece to classic athletic events plus a few creative preschool versions, the London Olympic Games inspire the fun of Session III. Campers will conduct a torch relay, participate in the parade of nations, and design their own medals, flags and more.

Extra Camp!

Afternoon Adventures

Children can add an extra dose of fun, extending each day until 3:00pm. Summer Afternoon Adventures offer a mini-theme packed with hands-on activities centered around classic children's books and authors. The afternoon includes activity, a brief rest, and play.

A Typical Day

Class Meetings

Provide the framework for the day as children and teachers greet one another, often in song, discuss the topic of the day, and choose a primary area of work for the morning.

Work Time

Encompasses a protracted period of play including individual and small group play devised by children as well as thematically relevant experiences designed by the teachers for small groups of children.

Meals

Children and teachers share a morning snack including fresh produce, and later in the day enjoy lunches brought from home.

Outdoor Time

In Summer nearly every experience can be conducted outdoors, weather permitting! Playground, sprinklers, painting, gardening, games, bubbles, and more.

Investigation Station

Dig deeper into the theme in the company of our resource teachers, or enjoy sensory and creative exploration in small groups.
