

KINHAVEN SCHOOL  
BOARD OF DIRECTOR CANDIDATE STATEMENTS, 2020-21

**President**

Inge Osman: I'm Inge Osman, mom to Zach, a current Acorn and rising kindergartener, and Adam, a rising Seed. I currently serve as Secretary on the Kinhaven Board and would be honored to serve as President of the Board next year. As President, my goal will be to continue collaborating with our Executive Director and Board team to ensure that we maintain and support our strong school culture and community. I am passionate about the future of our school and hope to provide stable leadership through these turbulent and uncertain times.

Next year will be our family's third at Kinhaven. We have been consistently amazed and impressed by the teachers, our Director, and the incredible community at this school. In the past year, through my participation on the Board, it's also been a delight to find a home for my professional skills as an attorney, while being more involved in my son's experience at Kinhaven. The most rewarding matters I'm involved in as an attorney tend to be those that are in service of the community. I hope that I can continue to serve the community as President of Kinhaven's Board next year.

**Vice-President**

Joie Neely: My name is Joie Neely and I am the parent to Jack Neely, heading to Kindergarten in 2020-2021, and CJ Neely who will be returning to the Sprouts class next year. While I am sad that Jack's time at Kinhaven is ending, I am so happy that CJ will have a few more wonderful years!

Prior to this you may have seen me encouraging you to lace up your sneakers as the Co-Chair for the Kinhaven 5K. Professionally, I'm currently a stay at home mom. Previously, I taught fitness classes for Fit4Mom, and worked in business development and due diligence investigations for Navigant Consulting.

I am excited to represent and build our community in a new way as the Kinhaven Board Vice President next year.

**Treasurer**

Ann Mace: My name is Ann Mace and I hope to serve as Treasurer for the 2020-2021 school year. Next year will be our family's fourth year at Kinhaven. My oldest daughter, Willa, will be a new alum and her younger sister, Ellen, will be in the Sprouts class. In our years here, I have served as a class parent and as a Parent Rep on the Board.

I feel very fortunate to have discovered Kinhaven. This Kinhaven community has been a blessing to me these last few years. And of course, it has also been exceptional place for Willa and Ellen to learn. I am honored to be asked to serve on the Executive Committee and bring to this role my desire to help Kinhaven succeed financially, professional experience as a lawyer,

and the number-crunching skills and attention to detail gained from many years supervising the distribution copyright royalties.

### **Secretary**

Bijal Rock: My son, Liam, is going to be in the Acorns class, and he has a baby brother on the way who will join Seeds in about 2 years! This past year I served as Representative at Large on the Board. I truly enjoyed this experience as well as getting more integrated with the Kinhaven family.

In my day job, I lead a Digital and Innovation practice, where I work with clients to build products and services to meet their user/customer needs. Our family has loved becoming a part of the Kinhaven community and I look forward to getting to meet other families this year and to serving the community.

### **Director at Large**

Michelle Krieger: My name is Michelle Krieger, mom to Amelia (Alum), EJ (Oaks class), Izzy (Tu/Th Seeds class) and Grayson (future student). We have been fortunate to have been a part of Kinhaven for the past 3 years and our family is looking forward to our next year. For the upcoming school year, I would like to contribute more by expanding my role in the school and as such, I would be honored to serve as Director at Large. I am excited about this role, passionate about Kinhaven's mission, and devoted to the school's future.

I have been privileged to have spent the past 9 years working for the health and safety of children as a pediatric hospitalist. Through this I have contributed to the development of departments, and the creation and implementation of policies. I feel this background will provide a sturdy base to excel in this position. I look forward to serving our school and community as we move forward together.

### **Parent Representatives (up to five)**

Courtney Raburn: My name is Courtney Raburn and I'm mom to Nathan (current Seed, rising Acorn), Haley (rising Seed), and Charlie (newborn and future Kinhaven kid). We have had an amazing first year at Kinhaven and I'd love to become more involved as the Parent Representative for either the Acorn or Seeds class. Professionally, I have 16 years experience in commercial real estate banking and currently am a client relationship manager responsible for leading a team to deliver banking solutions to our commercial real estate clients based in the Washington DC area. I hope that this background along with my ability to collaborate to achieve our goals will allow me to be a valuable contributor to the board and an effective class representative.

Brianna Boyle: I'm Brianna Carroll Boyle, mom to Gavin (Kinhaven alum) and Guinevere (rising Oak). This will be our fourth year at Kinhaven, and we have been thrilled with both of our children's experiences at Kinhaven and have enjoyed being part of such a thriving community. Previously, I served the school as Director at Large, and am pleased to have the

opportunity to continue to support the school as a Parent Representative in the year ahead. I am enthusiastic about the role, passionate about Kinhaven's mission, and committed to the school's future.

In terms of my professional experience, I have a wide range of expertise across multiple disciplines including communications, product marketing, product management, and public relations. In my current role, I serve as Vice President of Marketing at Marsh Risk Consulting. I earned my MBA from Johns Hopkins Carey Business School and my bachelor's degree from the University of Maryland.

Erin Parker: I'm Erin McCants Parker, mom to Leighton, alumna, and Harrison, a rising Sprouts student. I have previously served Kinhaven as President of the Board, Parent Representative to the Board, and Chair of the Search & Transition committee. I seek to return to Board service as Parent Representative because I am passionate about the future of our school and providing stable leadership as we move through this period of global turbulence, to a time of steady progress on our strategic objectives.

Our family quickly fell in love with Kinhaven, our teachers and Director, as well our member families. Service on the Board has brought challenges, but even more rewards through deeper friendships and a continued commitment to this community. It's been a delight to find a home for my professional skills as an executive coach and organizational change consultant, while being more involved in my children's experience at the school. I am confident I can commit the necessary time to serve in this role on the Board.
