

PARENT JOBS GUIDE

2022-23

Welcome!

Attached is the school JOBS Guide and JOBS Preference Survey, which will help both you and us select and assign JOBS that best fit your family. As you know, Kinhaven School is a parent-governed organization and as part of our member obligation, each family is required to:

1. Select and perform a JOB (or JOBS),
2. Participate in a fundraising event (selected with your membership agreement), and
3. Attend a clean-up and maintenance day.

The JOBS that Kinhaven families perform range from participating as a member of the Board of Directors to organizing events or washing smocks at your home. This JOBS guide is a tool to assist you in allocating your time and energy as a member of our school as best fits your family. The guide lists all JOBS at Kinhaven along with a brief description of the JOB, the time commitment needed, whether the JOB is on-site or can be done at home, etc. You will find that there is no single path to fulfilling your member obligation.

Please read carefully and respond via the linked [JOBS Preference form](#) no later than **July 29, 2022**.

We hope that this guide helps you to understand your responsibilities and choose the areas in which you would like to get involved. With your help, we can continue to make Kinhaven a wonderful place for our children.

Have a great year!

Parent JOBS at Kinhaven

At Kinhaven School, each family is required to have a JOBS responsibility. There are a variety of duties, large and small, from which to select.

How to select JOBS preferences?

Review the *Parent JOBS Guide* and complete and return the [JOBS Preference Survey](#) by **July 29, 2022**. List your preferences, time availability, and objectives, providing as much detail as possible to allow the JOBS Committee to make the best JOBS match for your family and the school. The JOBS Committee, with support from the Executive Director, will carefully review the forms and match each family with a role in the school for 2022-23. If you have already graciously volunteered for a task, please still complete the preference survey form, indicating what you have volunteered for.

Each member family commits to filling a role in the school as:

A – School-wide Leaders, with a yearlong commitment; OR

B – Event Leaders, with a seasonal or specific commitment, plus one job under *Tasks and Committees*; AND/OR

C – Tasks and Committee members, performing multiple specific tasks with limited responsibility, under the guidance of School-wide or Event Leaders. Families may buy-out of one C level job.

Families participating at B and C levels will be assigned either 1 “B” level and 1 “C” level job or 4 “C” level jobs. Each family can expect a total of approximately twenty-four hours of JOBS assignments **in addition** to Fundraising and Clean-up commitments. Time commitments at the A level vary more widely.

All families will prepare the produce component of snack for their child’s class on a rotating basis and provide school supplies as requested. These commitments are part of our Member Agreement and the practicalities will be addressed at the start of the school year.

How are we matched to our JOBS?

Families will be matched to JOBS based on what they have self-selected in the *JOBS Preference Survey*, weekly/seasonal time constraints, successful involvement with a JOB in a prior school year, and family school/work history as well as the ultimate needs of the school community. In some instances, a member of the JOBS Committee may contact you individually to discuss a match. If you are contacted, please respond promptly so the matching process can continue without delay.

The JOBS Committee may term-limit certain “lighter” tasks so that a family may hold that position a limited number of times during their tenure at the school. These jobs are intended for those with extenuating family circumstances (expecting new baby, parent overseas, etc.) in a school year.

Many JOBS may be performed by a parent, grandparent, or other caregiver.

Preference will be assigned to those individuals who complete and return their form by May 6, 2022. After this date, the JOBS Committee will endeavor to make the best possible match for your family and the school from the remaining jobs.

What kind of JOBS are there?

JOBS at Kinhaven fall within the following service areas:

- Administrative Services
- Building and Grounds
- Fundraising
- Membership
- Search and Strategy
- Board of Directors (elected)
- Finance
- Hospitality
- Personnel

Each JOB listed below includes a brief description of the JOB. Also listed is a commitment description. This description indicates time commitment required (hours, seasonal, day/evening), on-site or remote, and whether the JOB is independent (do on your own), with a team, or if it has the potential to be done with another family to make it a more social experience.

Some JOBS list day and/or evening, remote and/or on-site, which indicates families are able to do the JOB on-site or remotely or during the day or evening, so they have a choice to fulfill the JOB in a way that best fits their family.
